"Stop Smoking" Plan To Start

By special request the world known Five Day Plan to stop smoking will be given again starting Sunday night at 7:30 at the Appomattox Seventh-Day Adventist Church on Court Street.

Mr. Brodersen, the director, says the "5-Day Plan" is designed to give help to those who want help. Best of all, it works! In any given clinic, at least 85 percent of the smokers who stay with the program during the five days are likely to claim success in breaking the habit. As a result, millions have rediscovered the pleasure of zestful living, free from the hazards of smoking.

Having held clinics, not only in the U.S. but in other countries, Mr. Brodersen is confident that the plan can work for you. Heres why:

1. It is based on a proven, medically sound approach that has helped smokers the world over. "the main thing is that the plan really works," Washington Daily News.

2. It is a controlled program that gets rid of the fear of trying to quit. Actually makes it easier to quit. Thousands have stopped smoking who never thought they could.

3. It is directed by experts. These give their time as a community service without payment.

4. It is a "help-each-other" program in which you work along together with others who are also freeing themselves of dependence on tobacco you don't have to, "go it alone."

5. It is not based on fear techniques, gimmicks, hypnosis or chemical aids. It gives you practical, workable ideas daily on how to rid your system of nicotine, and your mind of the "nicotine urge."

The first nights program will feature the showing of the gripping color film "countdown," the story of Edward Adams a young space engineer from Cape Kennedy, and his bout with death. Adams 32, a brilliant member of the nation's space team, encounters an unexpected trip he never trained for in this unusually moving film.

Mr. Brodersen urges all smokers who want to quit, to be sure to attend this free 5 day clinic, as it is the last one that will be held this year.

Scout Leaders Hold Meeting

The Appomattox Service Team of the Virginia Skyline Girl Scout Council met October 7 for its monthly planning meeting.

Registration procedures for getting troops organized for the new year concluded the session which covered plans for participation in the Appomattox Railroad Festival, leader training discussion, team needs for the service unit and plans for participation in the National Leadership Conference to be held in Roanoke October 18-20.

The Leadership Conference will involve Girl Scout volunteers from nine eastern and northeastern states with continuing workshops, luncheon speakers and reports from cadettes and seniors on their scout trips across the country and abroad.

All volunteers interested in attending are encouraged to contact their Field Executive, Eunice Paulette, for more information.

This month's Service Unit Meeting was held at Bryant-Branch Lumber Company with discussion of plans for a Camporee in the spring.
